

# Public Works Projects

## Process

---

The District uses a formal competitive bid process on all public works projects unless they are under \$350,000.\* For public works projects between \$30,000 and \$350,000 the District may choose to use the small works roster in lieu of a formal sealed bid procedure.\*

West Pierce Fire & Rescue utilizes MRSC rosters, State contracts, and GSA rosters.
