Public Works Projects

Process

The District uses a formal competitive bid process on all public works projects unless they are under $350,000.* For public works projects between $30,000 and $350,000 the District may choose to use the small works roster in lieu of a formal sealed bid procedure.*

West Pierce Fire & Rescue mainly utilizes MRSC rosters, State contracts, and GSA rosters.

Should you wish to review any relevant documentation, you may submit a public records request to our main office at 3631 Drexler Dr W University Place, WA 98466 or via fax at 253.564.1629 or call 253.564.1623.
